

ELS GMAT® Test Prep Program

ELS can help put an MBA within your reach

Another
ELS Advantage!

Before you can enter a Masters in Business Administration (MBA) Program, you must first score well on the GMAT® - the Graduate Management Admissions Test.

By taking the ELS GMAT® Test Prep Program, students with strong business and English skills can reach the next level - by understanding the unique logic of the GMAT®.

The ELS GMAT® Test prep course is a 6 - hour per day program that combines advanced language enrichment with one hour of GMAT® language self-study and two hours of GMAT® Test Prep strategies.* Four or eight (recommended) week options are available. The maximum class size is 15.

How does the program help prepare students for the GMAT®?

- Assists in the development of time management skills (the GMAT® is 3½ hours long)
- Reviews the three core components
 - Writing (two required essays)
 - Verbal
 - Quantitative
- Helps prepare for the Critical Reason section of the exam

The ELS GMAT® Test Prep Program Includes

- 30 lessons per week of intensive GMAT® preparation studies
 - 10 lessons - Structure & Speaking Practice
 - 5 lessons - Writing
 - 5 lessons - Language Technology Center with GMAT® skill focus
 - 10 lessons - GMAT® Prep
 - Optional: 1 - hour math tutorial twice a week
 - Textbook, *Criterion*SM online writing software, online practice tests and more

**This is the Monday to Thursday schedule. Friday's schedule includes only the first four hours of study.*
